

February 1st: Super Bowl Quiz

It's late in the 4th quarter for your Super Bowl party plans. But do you have a great game that everyone can play at your party? Or are you like most youth workers... it's two hours before kick-off and you just screamed "crap!" in the church van on the way back from Costco?

Don't worry, we've got you covered. Just print off this week's download and you'll look like you've been planning this party for weeks and not hours.
